

CHUGACHMIUT REGIONAL SURVEY PROJECT

**We will be in Tatitlek
Monday and Tuesday February 27th-28th**

Please come by the council office on Monday to pick up a survey questionnaire or we will come see you and give you one. You can fill it out at your leisure and bring it back to us any time while we're here. The survey is secure and 100% confidential. The results are really important and helpful in giving Chugachmiut direction and making your quality of life better in Tatitlek.
