

Attention Cordova Families:

Drone (UAV) Training Opportunity for Youth!

Do you have a youth interested in drone technology? Join us in Cordova for a hands-on Unattended Aerial Vehicle (UAV-Drone) training program! This exciting opportunity is offered through the Accessing Choices in Education (ACE) program and is open to youth ages 12-17 (18 if enrolled in school).

Course Highlights

- **Duration:** 2 ½ days of training
- **Practice:** Hands-on practice with a recreational drone under instructor guidance
- **Certification:** Students who pass the online TRUST test will receive their FAA TRUST Certification
- **Bonus:** Certified students will receive their own UAV Recreational Drone

Date: To be determined (TBD) once we have at least 10 interested students

Class Size: Limited to 10 students per class

Eligibility: Students must be able to read and understand the course material and pass the online TRUST test independently

How to Apply

Complete the initial ACE application and indicate that you are interested in the “UAV Training for a Recreational Drone.”

Must be able to provide a copy of your BIA Certificate, Tribal enrollment card, or any Tribal affiliation documentation if class is confirmed.

We'll reach out with more details once the date is confirmed. Don't miss out—spots are limited!
